

IN LOVING MEMORY OF

ROSIE

FEB 21, 1991 - APRIL 17, 2021

THE HEART BEHIND HIMALAYAN KITCHEN

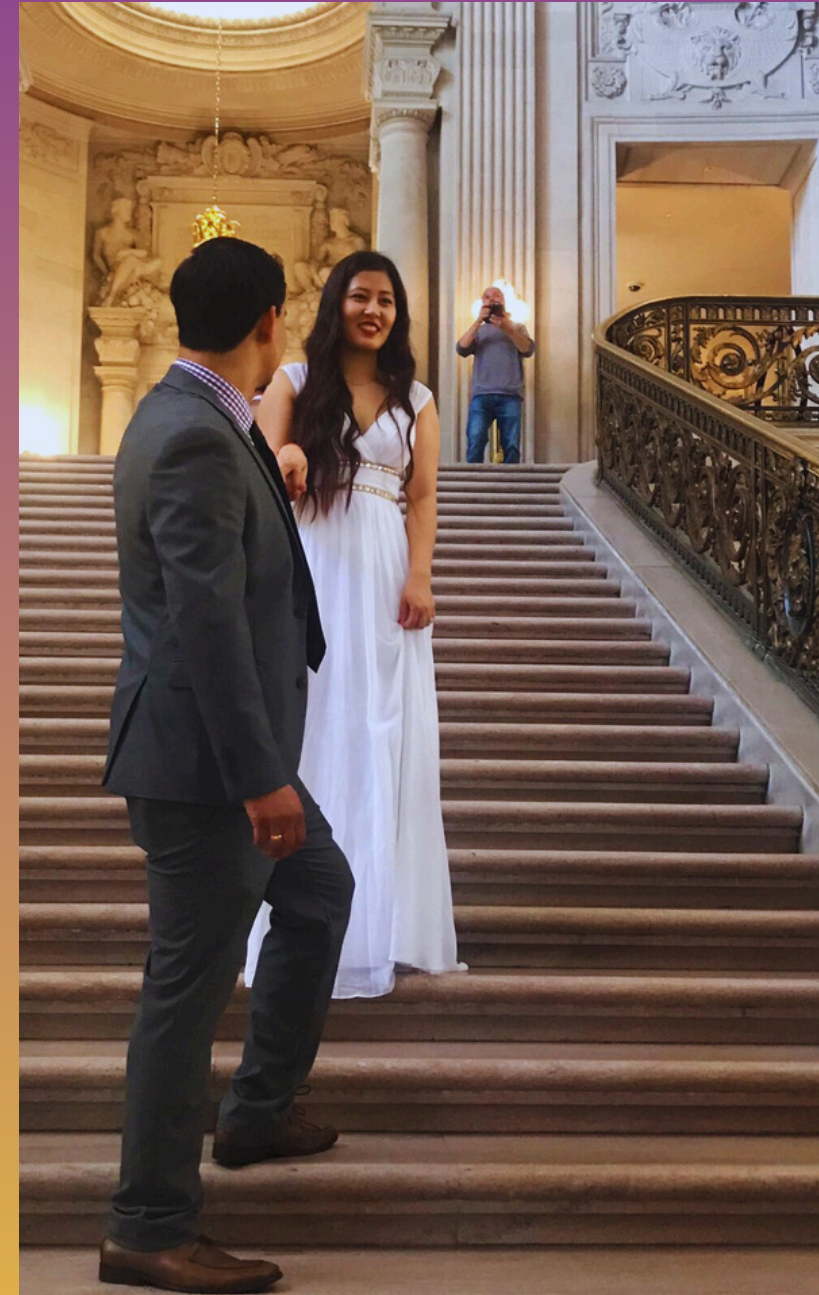

Rosie was more than a loving wife—she was a caring nurse, a bright soul, and the heartbeat of our family. In 2021, she bravely fought cancer but left this world too soon. Her warmth, compassion, and dedication to helping others continue to inspire us every single day.

Himalayan Kitchen was born out of her spirit of love and care. Every dish we serve, every smile we share, is a reflection of the kindness and joy that Rosie brought into our lives. This restaurant is not only a place to enjoy authentic Indian and Nepali flavors, but also a tribute to a life filled with love, service, and strength.

A LEGACY OF LOVE

Rosie's fight with cancer reminds us how precious life is. In her honor, we commit to not only serving food but also spreading kindness.

A MESSAGE FROM OUR FAMILY

We are deeply grateful for every guest who walks through our doors. By dining with us, you are helping keep Rosie's memory alive and sharing in the love that inspired this restaurant.

Thank you for honoring her with us.
